DAYS TWO - FOUR

Heli-Skiing Alaska’s Chugach Mountain Range

Ski Alaska’s Western Chugach Mountains, where 3,000 to 4,000-foot vertical runs are found on hundreds of peaks, providing guests with more powder than they can ride in one trip. It’s all about having an exciting, safe and memorable backcountry experience. Stability and conditions take priority when selecting runs and planning the day. If weather prevents the helicopters from flying at any time, we’ll move to our backup: snow cats. Accommodations are at The Hotel Alyeska, in a Deluxe Room.
